Adele Edson 512/696-8980 3/11/91
phoned looking for 2 men, one an NIH
associate she says was talking about
something happening to JFK seven
months before assassination. That he
mentions Lee Harvey's name then.
That she spoke by phone to O'Neill
then, but she was interviewed
by Secret Service (Rice) in D.C. with
an FBI/SS present. Can't get any
records from SS, FBI. Says
she has PhD + worked at NIH
